## Touring plan with little ones under 40" tall

Attraction	FP+ available?	Ht. Req.	Special Note
<p>Make FP+ reservations for Frozen Ever After, Spaceship Earth, and Turtle Talk with Crush</p> <p><i>Note: 2 of the main attractions here - Soarin' and Test Track - both have 40" height requirements but they're fairly mild and non-scary (as long as your child can handle a car traveling at a high speed for a lap around the track on Test Track). If your child is at least 40", use the non-single rider touring plan above, but maybe skip Mission: Space which has a height requirement of 40" and could scare some kids.</i></p>
