

# Example of how it looks to book Genie+ Lightning Lanes

(With your 1st return time **MORE** than 2  
hours after the park opens up)

Important Note: In no way does the example below imply your return times will fall into place so perfectly. This is simply done as an example of how the different rules for booking Genie+ apply when you are in the parks.

	What time of day was it when you booked your G+?	What time is the G+ reservation for?	When can you book the next G+?	Why?
1st G+ of the day	7:00 AM	6:00 PM	11:00 AM	Because your initial G+ selection is so late in the day, you'll need to <b>wait until 2 hours after the park opens</b> to book your next one. This falls under Genie Booking Rule 1.
2nd G+ of the day	11:00 AM	7:00 PM	1:00 PM	Because this G+ arrival time is <b>more than 2 hours away</b> , you'll be able to book your next G+ in 2 hours. This falls under Genie Booking Rule 1.
3rd G+ of the day	1:00 PM	4:00 PM	3:00 PM	Because this G+ arrival time is <b>more than 2 hours away</b> , you'll be able to book your next G+ in 2 hours. This falls under Genie Booking Rule 1.
4th G+ of the day	3:00 PM	3:30 PM	As soon as you use the 3:30 PM G+	Because this G+ is <b>less than 2 hours away</b> , you will be able to book your next one as soon as you "tap" in at both tapstiles at the attraction. This falls under Genie Booking Rule 2.
5th G+ of the day	3:30 PM	4:30 PM	As soon as you use the 4:30 PM G+	Because this G+ is <b>less than 2 hours away</b> , you will be able to book your next one as soon as you "tap" in at both tapstiles at the attraction. This falls under Genie Booking Rule 2.
6th G+ of the day	4:30 PM	7:30 PM	6:30 PM	Because this G+ arrival time is <b>more than 2 hours away</b> , you'll be able to book your next G+ in 2 hours. This falls under Genie Booking Rule 1.
