

WHEN CAN I MAKE MY NEXT GENIE+ RESERVATION

All Walt Disney World Resort guests (both those that are staying on-property and off) can begin making Genie+ Lightning Lane selections at exactly 7 a.m. EST. You do NOT need to be in the parks to make selections.

After you have made your first selection, use these rules to determine when you'll be able to make more.

GENIE+ BOOKING RULES

1.

If the most recently booked attraction return time is MORE than 2 hours away, you can make your next Genie+ Lightning Lane reservation at the 2-hour mark.

IMPORTANT NOTE: the 2-hour clock starts when the park opens and NOT at 7 am when the Genie+ bookings starts.

OR

2.

If your most recently booked Genie+ ride time is LESS than 2 hours away, as soon as you tap into the tapstiles at the attraction, you can book your next one.

IMPORTANT NOTE: some of the more popular attractions have 2 tapstiles and some will have 1. If there are 2, you must tap into both before you'll be able to make your next selection.

OR

3.

If your most recently booked Genie+ Lightning Lane pass has EXPIRED (meaning you missed your return window), you can make a new Genie+ selection.
